The class of Eight-One worked very hard to make this year a memorable one. With the help of our advisors, Mrs. Wiggins and Mrs. Cato, we were able to have a successful Pageant, Calendar-Girl Contest, bake sale, Talent show, Mr. Esquire, Miss Charm contest, Senior Spirit Week, raffles and discos.

There was definitely a place for the Class of Nineteen Hundred and Eighty-One at West Side High.

When things go wrong, as they some-
times will,
When the road you're trudging
seems all uphill,
When the funds are low and the

to sigh,
When care is pressing you down a

Rest if you must, but don't you quit.

Life is queer with its twists and turns,

Just The Way You Are

Don't go changing, to try and please me
 You never let me down before
 Don't imagine you're too familiar
 And I don't see you anymore
 I wouldn't leave you in times of trouble
 We never could have come this far
 I took the good times, I'll take the bad times
 I'll take you just the way you are.

Don't go trying some new fashion
 Don't change the color of your hair
 You always have my unspoken passion
 Although I might not seem to care
 I don't want clever conversation
 I never want to work that hard
 I just want someone that I can talk to
 I want you just the way you are.

Riders vs. Weequahic

The 1980 West Side Soccer Team had a very tough season. The team had several experienced players, but not enough to outweigh the majority of young inexperienced players. The team managed to break a 34 game losing streak by defeating arch rival Weequahic H.S. 1-0 in the final minutes of play on a goal scored by Eric "Tiny" Johnson. BASKETBALL

1980-1981 Roughrider Basketball Team

The Class of 1981 can be very proud of the varsity basketball team. Led by its five senior members, the team had a winning record. Highlights of the season included winning the championship in the Essex County Tournament and being seeded fifth in the sectional State Tournament. The team was also ranked seventh in the County by **The Star Ledger**.

The highlights of the season were the games with Livingston on December 30 and with Clifford Scott on February 22. In the Livingston game, West Side won its first tournament since 1954, and the Riders triumphed 73-66. Norm Hatcher was named the MVP of the Christmas Tournament.

The Riders were given little chance of beating Clifford Scott, which was ranked first in the County and sixth in the State. However, a total team effort resulted in a 59-57 upset victory before a large crowd at Seton Hall University. This win propelled West Side into the ECT semifinals, the first Roughrider team to advance this far since 1971. For his efforts in that game, Charles Jones was named **The Star Ledger's** Boy Athlete of the Week.

This year's team has laid the groundwork for many successful seasons to come. Darryl McMillon, the captain of the squad, exemplified the kind of desire and hustle that it takes to turn a losing team into a winner. McMillon started for three years, a great accomplishment. Gary Stewart and Clarence Hayward were the play-makers who were responsible for directing the Green and White offense. These two men did the job well, as the Riders averaged nearly 70 points a game.

The 1980-1981 basketball team provided many exciting and happy experiences for all West Siders. This is a team of which everyone should be proud.

MORE MEETS — MORE RECORDS

Once again, the 1980-1981 track team has proven to be one of the better teams in the County.

All City and County sprinter Leroy Ford set a new indoor record in the 400 Meter Dash (49.19) and placed third in the State Meet of Champions. John Davis is one of the best anchor legs to run at West Side. Joanne Clark has lived up to her All-State billing by surpassing her 1980 performances.

The Riders are looking forward to the future where such young promising runners as Steve Taylor, Maurice Wilkinson, Robert Mix, Felicia Middletown and Michelle Holt will blossom into tomorrow's stars.

Mr. Nathaniel Potts

"FAREWELL! BUT WHENEVER"

Farewell!--but whenever you
welcome the hour
That awakens the night-song
of mirth in your bower,
Then think of the friend
who once welcomed it too,
And forgot his own griefs,
to be happy with you,
His griefs may return,--
not a hope may remain
Of the few that have brightened
his pathway of pain,--
But he ne'er will forget
the short vision that threw
its enchantment around him,
while ling'ring with you!

And still on that evening,
when Pleasure fills up
To the highest top sparkle
each heart and each cup,
Where'er may path lies,
be it gloomy or bright,
My soul, happy friends,
shall be with you that night;
Shall join in your revels,
your sports, and your wiles,
And return to me, beaming
all o'er with your smiles,--
Too blest if it tell me that,
'mid the gay cheer,
Some kind voice had murmured,
"I wish he were here!"

Let Fate do her worst,
there are relics of joy,
Bright dreams of the past,
which she cannot destroy;
Which come, in the night-time
of sorrow and care,
And bring back the features
that joy used to wear.
Long, long be my heart
with such memories filled!
Like the vase in which roses
have once been distilled,--
You may break, you may shatter
the vase, if you will,
But the scent of the roses
will hang round it still.

--Thomas Moore

School Song

In morning light and evening fall,
 Through all the days of coming years—
 In times when glowing futures call—
 In hearts with laughter and with tears,
 Our love for you will never die.
 Oh, Alma Mater, West Side High.
 Our love for you will never die,
 Oh, Alma Mater, West Side High.

This love we have for you has grown
 More bright than any treasured gold,
 It deepens through each friend we've known.
 Each truth that to our hearts is told.
 Within the shelter of your walls,
 Within the rooms where wisdom calls.
 Our love for you will never die,
 Oh, Alma Mater, West Side High.

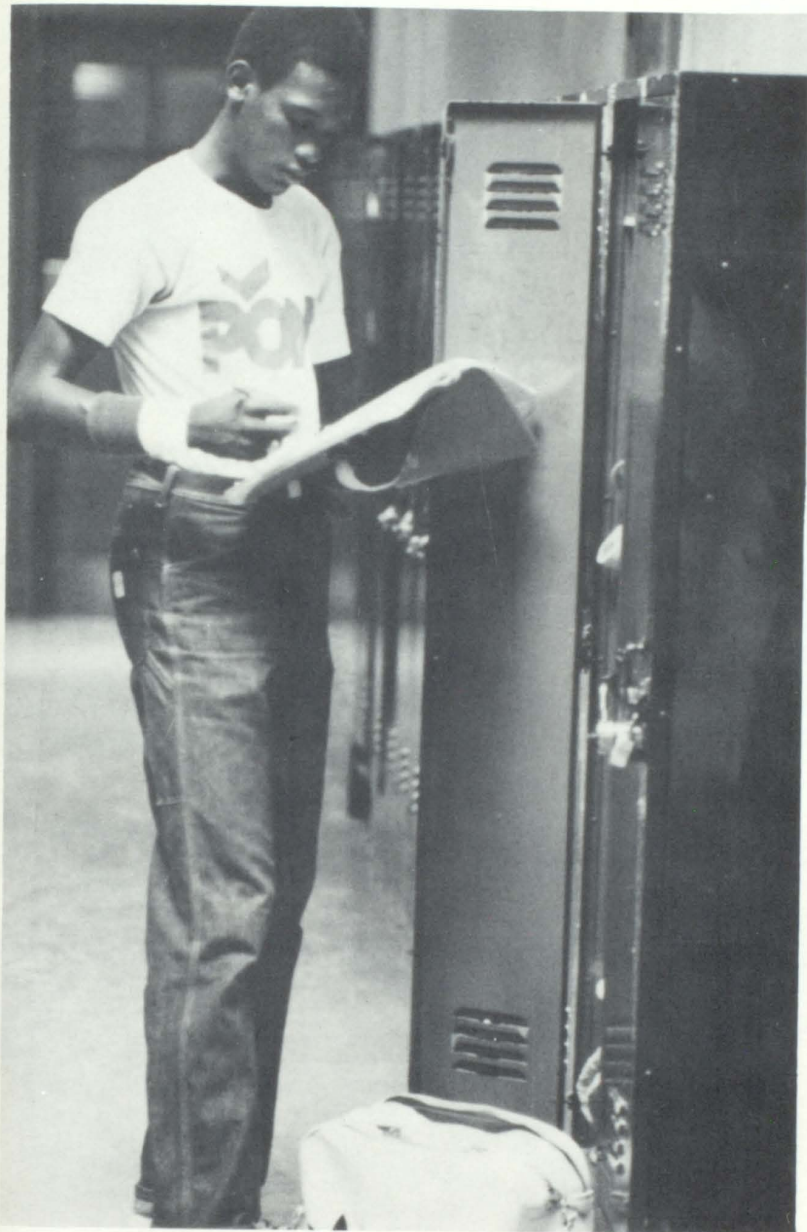

Though we have need to wander far,
 Close in our hearts your name will be.
 Your goodness, like a radiant star,
 Will rise with every memory,
 And having these sweet dreams of you,
 We shall remember and be true.
 Our love for you will never die,
 Oh, Alma Mater, West Side High.

In morning light and evening fall,
 Through all the days of coming years,
 In times when glowing futures call,
 In hearts with laughter and with tears,
 Our love for you will never die,
 Oh, Alma Mater, West Side High!
 Our love for you will never die,
 Oh, Alma Mater, West Side High!

West Side is like a second home to me with many family members as well as time for educational reasons.
----Daba M. Siryon

West Side High is a good school, but most of our young people just can't understand that school is a place for learning, not for fooling around.

----Tracey Frye

West Side means a lot to me which is what I made it to be. Throughout my four years, I was proud when I sang our theme, "Alma Mater, West Side High."

----Tracey Lee Turner

You can be what you want be. You dont have any responsiblities. Everyone here is free. At West Side you're a million miles from reality.

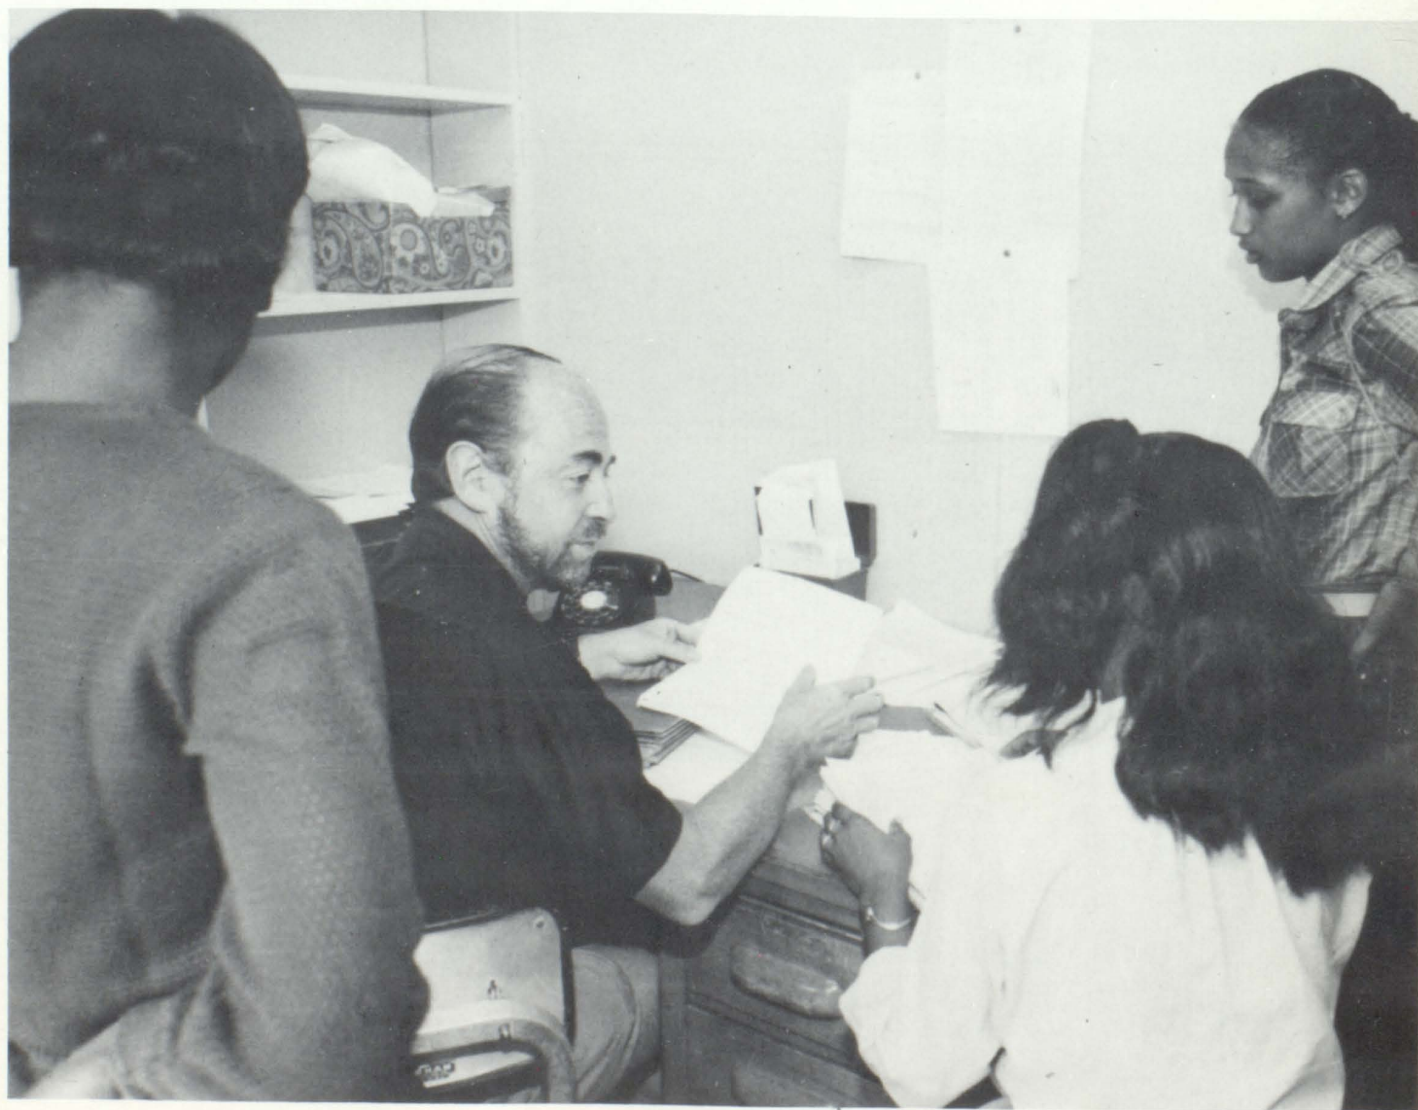

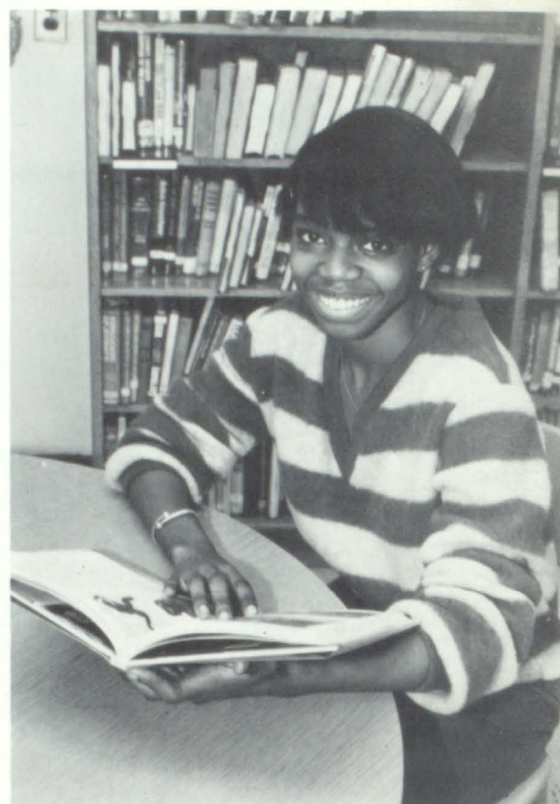

----Gary Gilchrist

The four years I have been at WSHS has been the best years of my life. - There has been hard times and there has been good times. I have learned to overcome the negative and just live for the positive. West Side I love you! You will always be in my memory.

----Wanda Broner

West Side High School is filled with students with plenty of potential and natural talent that should be sought out and observed by professionals.

West Side has opened the doors to me in many ways. It has given me chance to experience education in a more positive way. After getting into the school, I found myself drifting into the activities that it had to offer. I received a chance to explore my love, MUSIC.

-----Rickey "Laval" Gaskins

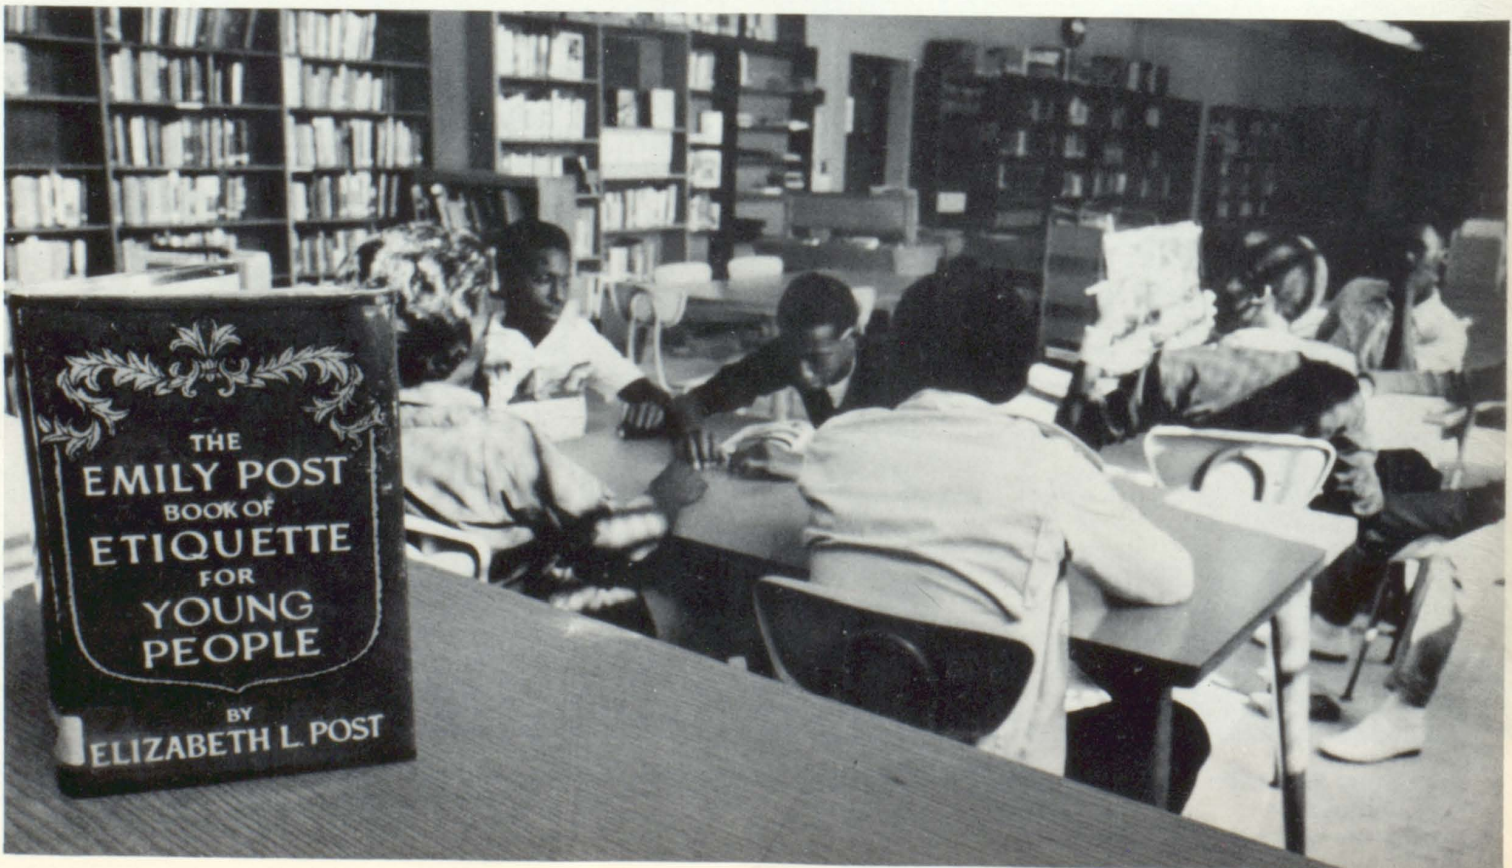

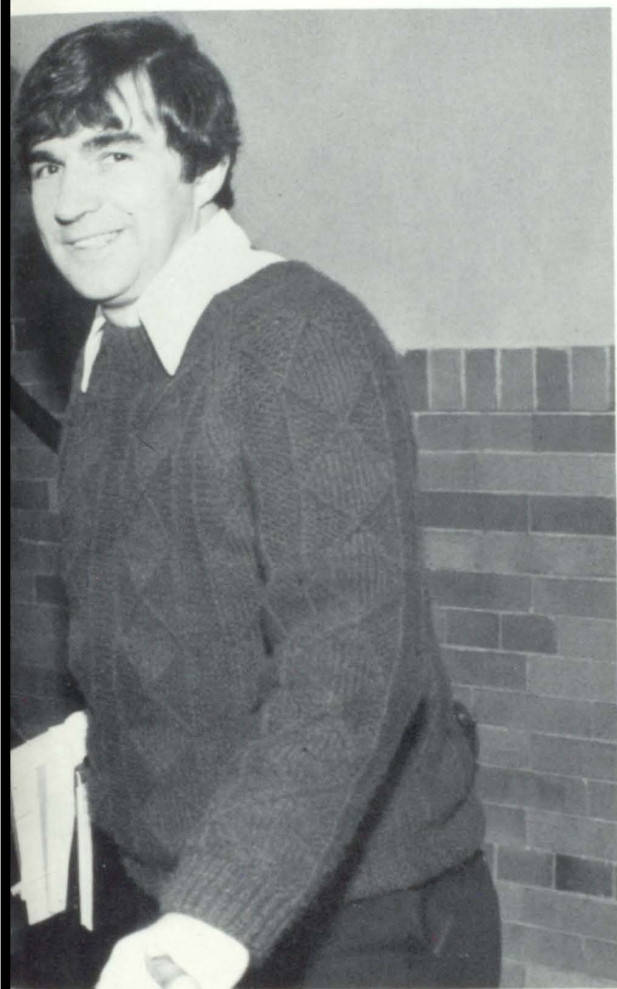

West Side is an "O.K." school for Me. I had some good times and some bad times. However, I did enjoy myself and learned well.

-----Sonja Porter

West Side can be a good school again if all the students cared.
-----Vincent "Malik" Jones

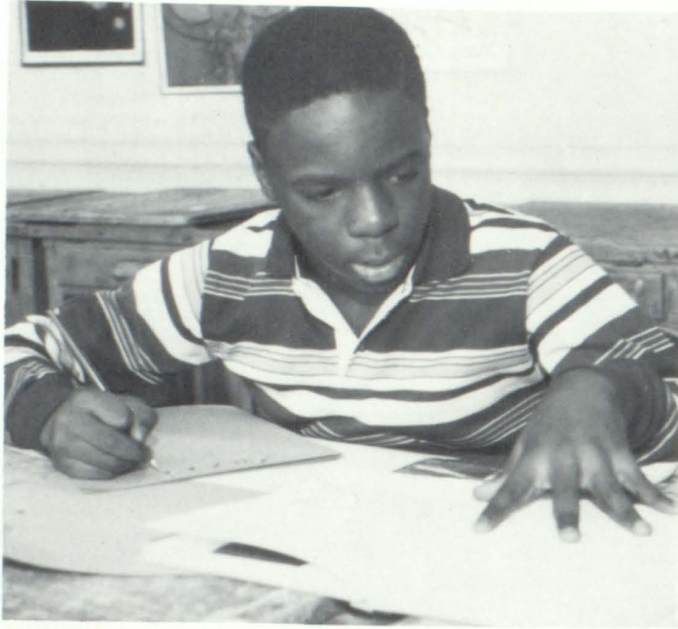

West Side is a very good school. It is not the school that is a disaster, it is the students and their personalities.
-----Bernadette Neely

The best thing I like about West Side is the togetherness among the students.
-----Diane L. Scott

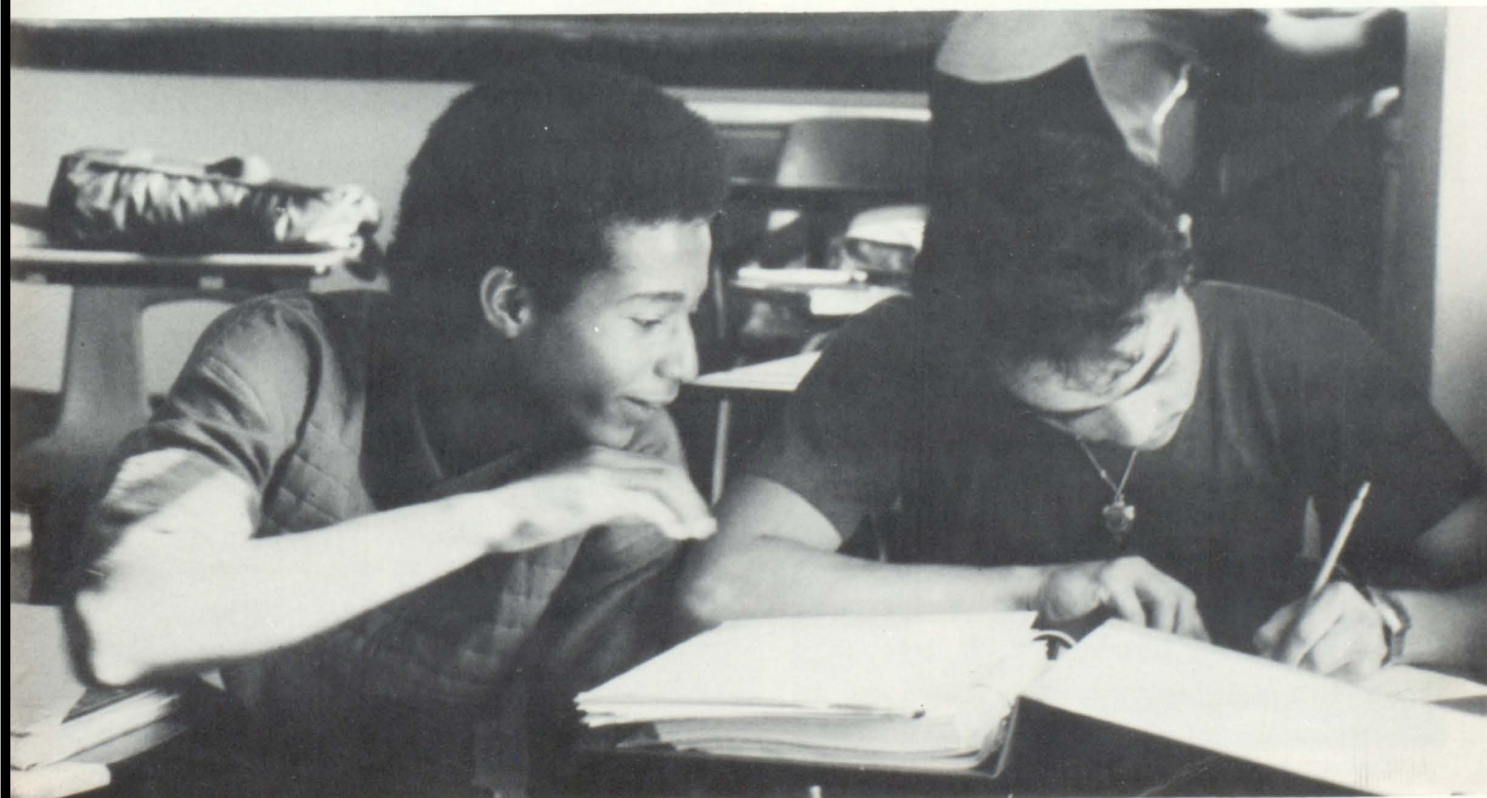

West Side is not as bad as people say it is. West Side is what you make it.
-----Lisa Roberts

West Side is a fun place to be and a good place to learn, and the Class of "81" has really gotten themselves together to prepare for the future. In time WSHS will be the best school in Newark with the cooperation from the parents, community, administration, teachers and students.

TEEN CREED

Don't let your parents down
they brought you up.
Be humble enough to obey;
you may give orders someday.
Choose companions with care,
you become what they are.
Guard your thoughts;
what you think, you are.
Choose only a date who
would make a good mate.
Be master of your habits,
or they will master you.
Don't be a show-off
when you drive, drive with safety
and arrive.
Don't let the crowd pressure you;
stand for something
or you'll fall
for anything.

DANA and JOANNE SELECT PICTURES

DANA CONFERS WITH HER STAFF

DANA WITH MRS. CATO, ADVISOR

TO THE READERS:

While this book was in process, there were many critics, but only a few creators. The talkers outnumbered the doers.

We, the **Lamp** staff, put many long and difficult hours into making this the most comprehensive yearbook in the history of West Side High School. We proudly believe that you will agree that this is the best yearbook ever.

Putting together a yearbook is more involved than just taking pictures and placing them on a page. It took cooperation and dedication. There were pages to be done---done right. There were headlines to be met--met on time. The pressure was on always. Changes had to be made at the last minute. Long hours during and after school every day were spent to make sure we met the deadlines.

I enjoyed my position on the staff this year because of the people who were part of it, not only did we become friends, we became a family.

Although there were times when we had a difference of opinion, we managed to reach agreement.

Mrs. Mary Cato, our advisor made it all possible. We couldn't have asked for a more devoted and caring person. Not only did she advise us on the yearbook; but if we had a personal problem, she was never too busy to listen.

In closing, we the staff, would like to thank Lorstan's Studios, Mrs. Summers, Mr. Colyer, Mrs. Spillman, Mrs. Watson, Mrs. Tyson and the Class of 1981. We could not have done it without YOU! !

Oh, Alma Mater, West Side High!

West Side's a school that needs improvement.
More teachers and students should care and
take more ride in the school.

---Leon Williams

West Side is a school of good and bad.
Too many students waste valuable time,
but inspite the negatives, there are
creativity and talent displayed by many.

----George Jefferson

"West Side Story" deals with the noise and
large population just as West Side High.
Too many people want to be heard and seen
instead of striving to improve.

----Jeffery Langley

West Side has many intelligent and talented
students who have made it inspite of the choas.

----Darla Renee Fillmore

West Side is a place to learn, and students
need to become more mature and serious.

----Linda E. Ham

I feel West Side could be changed with the
cooperation from the students and staff.

-----Danny Miles

West Side is a good place to be, it is a place
for learning and a place for fun.

----Gregory Blocker

Being a student is more to us,
Being a teacher that does not cuss,
Attending West Side is a lot to me,
But graduating is the way to be.

---- Willie Speight

I know that West Side would be a better
school if the young men and women who
don't want to get their education were
dismissed. They come to school only
to take up space and wear beautiful
clothes.
